

Please join us on August 14, 2025 as we remember and celebrate V-J Day. On this day 80 years ago, our servicemen and women who had served their country at home and abroad were able to think about coming home and living in peace.

We will gather at the Hannah Block Historic USO / Community Arts Center with a program of remembrance and celebration to include:

Award of commendation to our living local WWII Veterans
Music and dance performances by students of Wilmington schools
WWII memorabilia exhibits
Light refreshments

Free and Open to the Public

AN AMERICA 250 PROGRAM

The WWII Wilmington Home Front Heritage Coalition
and the Hannah Block Historic USO / Community Arts Center
